

Effective Appeals Management

A CEU Training Program

This is a 3 month course. Work online at your own pace with no scheduled classes to attend. This course is preapproved for 8 continuing education units with AHIMA & AIHC.

Sponsored by The American Institute of Healthcare Compliance (AIHC)

AIHC is a nonprofit 501(c)(3) organization and an internationally recognized leader in healthcare compliance training and certification. Our mission is to provide education, certification, and continuing education to healthcare administrators at a reasonable cost through our classroom and web-based training programs. Our goal is to improve the competency of medical facility management in an increasingly complex regulatory environment. We seek to promote the increased quality of administrative healthcare systems in the United States by building an international network of credentialed healthcare professionals.

Online CEU Training Programs: The Basics

There are no scheduled classes to attend for online CEU training programs. You work independently at your own pace to complete the program and are able to access your course information 24 hours a day, 7 days a week, by logging into the AIHC website. A technical support professional is assigned to you to provide technology-related assistance throughout the program.

Course Prerequisites

This course is designed for advanced professionals, such as Revenue Cycle Managers, Nurses, Appeal Managers, Nurse Reviewers, Coders, Medical Appeals Specialists, Medical Claims Specialists, Patient Financial Services Managers, Reimbursement Specialists, Auditors, and Clinical Documentation Improvement Specialists. This course is also beneficial for other individuals who are learning revenue cycle management in a medical office, clinic, surgery center, or health care facility, or who are working for a health insurance payer.
