

# Introduction to Mitigating HIPAA Security Risks

## On-Demand Webinar

Purchase, use a projector, and train multiple staff members at one time. This webinar is approved for 1 continuing education unit with AIHC.

## Sponsored by The American Institute of Healthcare Compliance (AIHC)

AIHC is a nonprofit 501(c)(3) organization and an internationally recognized leader in healthcare compliance training and certification. Our mission is to provide education, certification, and continuing education to healthcare administrators at a reasonable cost through our classroom and web-based training programs. Our goal is to improve the competency of medical facility management in an increasingly complex regulatory environment. We seek to promote the increased quality of administrative healthcare systems in the United States by building an international network of credentialed healthcare professionals.
