

## **Campus Compliance and Privacy Manager - Corporate Compliance**

*New York, New York*

### **Summary**

As a Campus Compliance and Privacy Manager, you will be responsible for the maintenance of the corporate compliance and privacy program across the NewYork-Presbyterian Hospital system, with specific focus at one or more of our hospitals throughout New York City and Westchester County.

### **Responsibilities:**

- Monitor compliance with policies, laws, and regulations both at federal and state levels
- Conduct investigations and resolving non-compliant matters
- Serve as a resource with regards to compliance and privacy
- Develop key strategic relationships with our Campus Senior Management stakeholders and implement strategies to enhance compliance and privacy performance through risk assessment and monitoring activities

### **Qualifications**

#### *Required*

- Bachelor's degree.
- Minimum of five years' experience relating to healthcare compliance and privacy with a thorough knowledge and understanding of compliance and privacy regulation, healthcare laws, and standards, particularly Medicare, Medicaid, and Privacy and Security regulations
- Ability to maintain confidentiality
- Ability to communicate effectively with all levels of the organization
- Proven self-starter; ability to work with minimal supervision

#### *Preferred*

- *Experience in compliance and privacy within a nursing home and/or pharmacy*
- *Master's Degree, or Other Advanced/Professional Degree*
- *Compliance certification*
