

Revenue Integrity Analyst

Heritage Valley Health System

Job Location: Kennedy Township, PA

Full Time

BASIC FUNCTION:

Responsible for maximizing revenue capture across the Heritage Valley Health System serving as the primary liaison between revenue cycle and clinical departments. The Analyst manages the CDM across all sites and services including training and education on related tools and processes. This person audits, investigates, analyzes and/or interprets data necessary to drive improvements in quality and financial performance; provides guidance to operational Clinical Managers/Directors regarding CDM management, charging and billing, coding and reimbursement. Through the Revenue Integrity Committee, this person oversees charge capture, revenue reconciliation, strategic pricing, payment validation, administrative denial management and avoidable write-off prevention.

QUALIFICATIONS:

Required:

- RHIA, RHIT or Bachelor's degree in Health Care Administration, Business, Accounting, Finance or a related field with at least 3 years of charge master management experience.
- Experience with CPT, HCPCS, ICD-10 codes and medical terminology required.
- Demonstrated ability to successfully lead projects and teams.
- Strong analytical and reporting skills
- Advanced use of Microsoft Excel and spreadsheet management.
- Exceptional verbal and written communication skills and the ability to present information and respond to questions clearly and professionally to varying levels of individuals

Preferred:

- Previous experience in revenue cycle management/revenue integrity
- Experience with Allscripts products/applications
