

Director-Compliance

Mercy Hospital

Job Location: St. Louis, MO

Full Time, Days

JOB OVERVIEW:

Provides leadership, direction and oversight over the development, implementation and effective functioning of the Mercy Compliance Program throughout the assigned geographic region of Mercy's Ministry. This position may also have Mercy-wide responsibility for one or more service lines as determined by the Deputy Chief Compliance Officer and/or the Chief Compliance Officer. Facilitates policies and processes to support adherence to the Mercy Code of Conduct and Compliance Program Plan by Mercy co-workers and physicians serving in all assigned hospitals, clinics, Mercy-wide service lines, and post acute facility locations. The Director reports directly to Mercy's Deputy Chief Compliance Officer, or where applicable, Executive Director-Compliance and performs duties in a manner consistent with Mercy's mission and values.

QUALIFICATIONS:

EDUCATION:

- Bachelor's Degree. You may be asked to provide proof of education.

EXPERIENCE:

- Minimum three (3) years of experience in health care regulatory compliance required.

CERTIFICATIONS:

- Certified in Healthcare Compliance through the Health Care Compliance Association (HCCA) or become certified within 24 months of hire.

PREFERRED EDUCATION:

- Master's Degree preferred.

PREFERRED EXPERIENCE:

- Previous healthcare compliance program experience preferred.
