

Healthcare Regional Compliance Director

Clinical Management Consultants

Job Location: Converse, TX

Full Time/Days

JOB SUMMARY:

A unique opportunity has just become available in the greater San Antonio area for the Healthcare Regional Compliance Director! This statewide healthcare organization is actively interviewing for an experienced healthcare compliance and privacy leader to join their team.

The Healthcare Regional Compliance Director will play an integral role as a member of the Corporate Compliance Team, and to the organization as a whole. The Regional Compliance and Privacy Director will manage oversight of all compliance, patient privacy, and regulatory related activities within this sector of the organization, serving as a point of contact and liaison on matters of compliance and ethical business practices. The Compliance and Privacy Director will collaborate with the System Chief Compliance Officer, the legal team, and members of the healthcare leadership team to effectively implement and manage the Corporate Compliance Program while being mindful of the organization's mission and values. The Healthcare Regional Compliance and Privacy Director will also oversee the HIPAA Program, ensuring that advancements in information technologies are meeting state and federal requirements.

REQUIREMENTS:

- Bachelor's Degree and Master's Degree in Healthcare or Business; CPA or JD is highly preferred
- 5+ years demonstrated experience leading healthcare regulatory and compliance functions
- Sound knowledge of healthcare operations, laws, regulations, and guidelines pertaining to healthcare
