

Chief Compliance Officer

Merraine Group Inc.

Job Location: Dallas, TX

Full Time

JOB SUMMARY:

Merraine Group is proud to partner with an industry-leading infectious disease laboratory in the Dallas, TX Metro for their next Chief Compliance Officer. The Chief Compliance Officer is responsible for establishing and communicating easily understandable compliance standards to the organization as well as implementing effective and efficient policies and procedures that ensure the identification, prevention and remediation of noncompliance with applicable laws, regulations and rules.

RESPONSIBILITIES:

- Create, implement and regularly review/update policies and procedures designed to meet the compliance requirements of the company, federal healthcare programs or other applicable fraud and abuse agencies.
- Overseeing the tactical day-to-day operation of the compliance department.
- Ensure monthly, quarterly or annual reporting as appropriate to the compliance committee and company leadership.
- Respond to alleged violations of relevant company policies and procedures and/or local, state, and federal laws or regulations including conducting or overseeing investigations when appropriate.
- Ensure compliance reporting, hotline maintenance and education and documentation activities are efficiently and effectively completed.
- Perform annual risk assessment to define audits needed.
- Generate company-wide compliance awareness campaign via various mediums.
- Demonstrate the company's commitment to ethical business practices by facilitating consistent messaging to employees and providing guidance to company leadership.

QUALIFICATIONS:

- Bachelor Degree.
- Relevant healthcare compliance certification preferred.
- 10+ years of management level healthcare regulatory compliance required (in a diagnostic laboratory or similar organization highly preferred).
- Ability to understand, interpret and apply complex state and federal health care compliance laws, rules, regulations and guidelines.
