

Medical Director, Inpatient/Audit

Versalus Health

Job Location: Newtown Square, PA

Full Time/Days

JOB SUMMARY:

As a **Medical Director for Versalus Health**, you'll have the unique opportunity to evaluate hospitalizations across the country while utilizing your medical knowledge and gaining experience as an expert advisor to Versalus Health's client hospitals. You will perform clinical case reviews and provide recommendations that focus on establishing the appropriate admission status. Versalus Health offers a career path that allows you to continue using your clinical knowledge, drive value to hospitals while providing you with a predictable schedule. This opportunity allows for the work/life balance you desire while expanding your knowledge base in Utilization Review.

RESPONSIBILITIES:

- Work with Versalus' analytics team auditing encounters that are selected for clinical review of the medical record with a focus on regulatory compliance.
- Review a variety of short-stay inpatient encounters referred to Versalus by our clients, ensuring that the patient status is accurate and compliant with Medicare regulations.
- Be expected to manage and maintain your client systems access to log in remotely to EMRs to review the medical record.

QUALIFICATIONS:

- MD or DO degree with strong clinical knowledge
- Active unrestricted medical license in at least one state within the United States
- Required specialization in Adult Internal Medicine, Emergency Medicine, Hospitalist, Nephrology, or Infectious Disease; Board certification (preferred)
- At a minimum, 1 year of acute care adult hospital experience in a US hospital within the past 5 years or recent relevant physician advisor experience
- Working knowledge of hospitals' EMR
- Computer proficient
- Excellent verbal and written communication skills
- Team Player
