

Coding Audit Compliance Manager

Carilion Clinic

Job Location: Roanoke, Va/Hybrid

Full Time/Days

JOB SUMMARY:

The Coding Audit Compliance Manager leads the development and management of the organizational integrity and compliance program's clinical compliance functions. Works independently and as a team member in a broad range of activities. Communicates throughout the organization on a wide-range organizational integrity and compliance matters. Requires extensive use of personal computers. Requires occasional travel to remote sites. Provides budget input for compliance operations requirements. Manages compliance operations staff. Maintains current knowledge of compliance program requirements, applicable federal and state laws and regulations, and monitors advancements in organizational integrity and compliance risks and related mitigation strategies to ensure organizational adaptation and compliance.

MINIMUM REQUIREMENTS:

- Minimum of two years of health care compliance experience or revenue cycle in a complex healthcare system or setting.
- At least 3 years in a management/leadership role or demonstrated progressive growth.
- Coding experience preferred.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree or 8 years relevant experience in lieu of degree required.
- Certification in Healthcare Compliance (CHC) required upon hire or within 1 year of date of hire.

ADDITIONAL INFORMATION:

- Hybrid work model is available with this opportunity. The selected candidate will need to reside within 100 miles of Roanoke and have ability to come onsite on short notice.
