

Compliance and Privacy Analyst

Saint Luke's

Job Location: Kansas City, MO

Full Time/Days

JOB DESCRIPTION:

This position supports the implementation of the health system's Ethics Compliance and Privacy Program. This position serves as the specialist for government revenue cycle audit processes, receiving audit information, coordinating responses to external auditors, and analyzing audit trends. This individual serves as a specialist for privacy audits, managing processes related to access audits and assisting with on-site HIPAA walk through audits. This individual is responsible for managing incoming correspondence to the privacy inbox and assists in the investigation and resolution of incidents in collaboration with team members. This position also assists with general compliance activities and education.

MINIMUM REQUIREMENTS:

- 2 years' applicable experience

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's Degree

ADDITIONAL INFORMATION:

Effective November 1st, 2021, full COVID-19 vaccination is a condition of employment for all Saint Luke's Health System employees unless a medical or religious exemption is approved.
