

Medical Coding & Compliance Auditor

Nym

Job Location: Remote

Full Time/Days

JOB SUMMARY:

- Audit medical charts that have been coded by an autonomous coding engine against national coding guidelines and client-specific SOPs, using Nym's proprietary coding and auditing software, to ensure high accuracy; specifically, you will audit ICD-10-CM diagnosis codes, CPT/HCPCS procedure codes, modifiers, and provider attribution
- Participate in client implementations and serve as a subject matter expert for internal Product and R&D groups to help prioritize engine configuration and development
- Join customer calls and serve as a subject matter expert, helping to ensure customers understand the nuances of autonomous coding capabilities.
- Meet or exceed 95% accuracy threshold and production standards and demonstrate a thorough knowledge of coding guidelines, medical terminology & peer-reviewed references.
- Keep a current education and understanding of coding principles and guidelines as they are updated; assists the team in monitoring current industry trends for potential impacts to the

MINIMUM REQUIREMENTS:

- At least 3+ years as an Emergency Department, Urgent Care, and/or Radiology coder for hospital/facilities. Profee experience is a plus.
- Experience with ACEP (American College of Emergency Physicians) guidelines is preferred.
- Excellent written & verbal communication skills.
- Accuracy, detail oriented, thorough, and execution-oriented.
- Living/working in Eastern Time Zone is strongly preferred.

EDUCATION/LICENSES/CERTIFICATIONS:

- A minimum of one of the following certifications is required and must be maintained: Registered Health Information Administrator (RHIA), Registered Health Information Technician (RHIT), Certified Coding Specialist (CCS) , Certified Coding Specialist-Physician (CCS-P), Certified Outpatient Coder (COC), Certified Emergency Department Coder (CEDC), or Certified Professional Coder (CPC).
