Maintaining Your CHMSPSM Credential – Earning the Badge

Successful completion of the training and passing of the certification exam is not a guarantee that your organization is compliant. This certification is an acknowledgment that you have the knowledge and have been provided the tools to be compliant. It is up to you to implement and maintain what you have learned for your organization to be compliant.

After achieving the CHMSPSM credential, the Certification Exam Board requires the following as a condition of using the Badge and CHMSP after your name:

1. Earning a minimum of six (6) HIPAA Continuing Education Units (CEUs) annually.
 - AIHC offers free and low-cost CEU programs on our website to renew your credential.
 - We accept CEUs earned through *HIPAA for MSPs* (you must be able to produce a certificate with proof of the CEUs).
2. Annual Membership Dues – are paid by *HIPAA for MSPs* as long as you remain a current member of that organization. In the event current membership lapses with *HIPAA for MSPs*, annual membership will be due directly to AIHC.
