

# HIPAA Privacy & Security

## Online Training Program

(Option to Certify as a HIPAA Compliance Officer is included in Tuition)

This is a 3-month Web-Based Training Program. Work online at your own pace with no scheduled classes to attend. This course is preapproved for 18 continuing education units with AIHC.

**Online, On-Demand Training** - This course is Online, On-Demand with no scheduled classes to attend during your 3-month access to course materials. Typically, professionals complete the course and certify within 6 to 8 weeks, however, you have 3-month access included in your tuition. Access your course information 24 hours a day, 7 days a week, by logging into the AIHC website. A qualified, certified instructor is available upon request to address questions you may have during your training experience.

**Course Prerequisites** - This course is recommended for HIPAA Privacy or Security Officers, Practice Administrators, Office Managers, Executives, and Administrators and Compliance Officers involved in developing and enforcing confidentiality, privacy and security for either a Covered Entity or Business Associate.

## Earn Continuing Education Units (CEUs)

**18 CEUs** - This program has been approved for 18 continuing education units by the American Institute of Healthcare Compliance for AIHC Certified Professionals. These continuing education units may be applied towards the Core, HIPAA, and Ethics Category CEU Renewal Requirements for the following AIHC credentials: CHCO, CHA, CIFHA, and OHCC.
