

# Senior Internal Auditor I

**RWJBarnabas Health**

Job Location: Oceanport, NJ

Full Time/Days

## **JOB SUMMARY:**

The Internal Audit Department of RWJBH is responsible for carrying out objective evaluations via financial and operational audit duties such as evaluating internal controls, applying professional audit techniques, preparing audit workpapers, developing solutions, and documenting findings in order to evaluate overall business processes and identify potential internal and external risks to the organization.

The Internal Auditor Senior I will help support the Senior II and other Internal Audit employees in achieving goals, timelines and objectives set forth for review. He/she will also be responsible for independently performing reviews and tasks assigned to them. This position will report directly to the Audit Manager, Business Operations.

RWJBH is implementing Epic, a single electronic health record (EHR) which includes revenue cycle. Auditor s receive Epic training.

## **MINIMUM REQUIREMENTS:**

- At least 3 years of audit experience with Big-4 or regional accounting firm, and / or Healthcare environment required.
- Long-term healthcare experience accompanied by an Accounting or Finance degree with relevant audit / healthcare work experience, will be considered.
- Proficiency with core MS Office programs (Word, Excel, PowerPoint, Visio) required; intermediate to advanced level skills in Excel with data analytics experience highly preferred.

## **EDUCATION/LICENSES/CERTIFICATIONS:**

- Accounting degree
- Certified Public Accountant (CPA) preferred however, CPA candidates will also be considered; other certifications are a plus.
