

DHMP Compliance Manager

Denver Health

Job Location: Denver, CO

Full Time/Days

JOB SUMMARY:

The Manager of Compliance DHMP works closely with the Denver Health Chief Compliance and Audit Officer and Health Plan leadership to meet the compliance function needs for Denver Health Medical Plan (DHMP). The Manager oversees DHMP Compliance Analysts and leads the team to provide requested guidance on requirements from the Centers for Medicare & Medicaid Services (CMS), the Colorado Department of Healthcare Policy and Financing (HCPF), the Colorado Department of Insurance (DOI), and other government agencies who oversee health plans and other healthcare organizations. The Manager participates and assists the Compliance Department in meeting all compliance needs, including writing policies, conducting investigations, conducting an annual risk assessment, and creating an annual work plan to audit and monitor DHMPs operational areas to ensure compliance with state and federal requirements. The manager works closely with DHMP leaders, including executives, and reports compliance activities and concerns on a regular basis.
