

Sr Clinical Quality Analyst

UnitedHealthcare

Job Location: Remote/New Mexico

Full Time/Days

JOB SUMMARY:

Engagement with providers and community resources will be very important. Key metrics and measures will be developed to assess member health in aggregate. In partnership with other members of the clinical team, a component of the role will include provider education and monitoring of quality improvement programs. This includes analysis and review of health outcomes at the provider and aggregated patient-level monitoring, measuring and reporting on key metrics meeting quality standards, state contractual requirements, and pay for performance initiatives. This position will focus on planning and implementing initiatives that are needed and do so in accordance with State, CMS, NCQA, and/or other requirements as applicable.

REQUIRED QUALIFICATIONS:

- 3+ years clinical or healthcare experience
- Intermediate software applications skills that include, Microsoft Word, Excel, PowerPoint
- A dedicated work area established that is separated from other living areas and provides information privacy
- Must currently reside in New Mexico
- Ability to travel locally up to 25% of the time
- Ability to review data and make clinical interventions and consult others

PREFERRED QUALIFICATIONS:

- Current unrestricted Registered Nurse (RN) licensure in the state of NM or Licensed Clinical Social Worker (LCSW)
- CPHQ Certification
- Systems Analyst or Business Analyst experience
- Experience working in Medicaid and/or Medicare
- Knowledge of one or more of: clinical standards of care, preventive health standards, HEDIS, NCQA, governing and regulatory agency requirements, and the managed care industry
- Background in Managed Care

ADDITIONAL INFORMATION:

- This position is full – time (40 hours / week) Monday – Friday. Employees are required to have flexibility to work any of our 8 – hour shift schedules during our normal business hours of 8am to 5pm. It may be necessary, given the business need, to work occasional overtime. This position is a remote – based position with a home – based office.
- If you are located within New Mexico, you will have the flexibility to work remotely* as you take on some tough challenges.

*All employees working remotely will be required to adhere to UnitedHealth Group's Telecommuter Policy
