

Sr HEDIS Clinical Quality Analyst

UnitedHealthcare

Job Location: Remote/New Mexico

Full Time/Days

JOB SUMMARY:

As a key contributor in the clinical operations of the New Mexico health plan, the clinical quality analyst, senior, will work closely with the Leadership team to coordinate an interdisciplinary approach to care. This will include a focus on health promotion, social determinants of health (SDoH), clinical quality improvement and management programs including accreditation. Responsible for the reporting and analysis of member care quality and for the development of plans and programs to support continuous quality improvement using HEDIS and other tools.

REQUIRED QUALIFICATIONS:

- 3+ years HEDIS or CMS stars submission experience
- Knowledge of social determinants of health in rural and urban setting in the Southwest
- Intermediate software applications skills that include, Microsoft Word, Excel, PowerPoint
- A dedicated work area established that is separated from other living areas and provides information privacy
- Must currently reside in New Mexico
- Ability to review data and make clinical interventions and consult others
- Ability to travel locally up to 25% of the time

PREFERRED QUALIFICATIONS:

- Current unrestricted Registered Nurse (RN) licensure in the state of NM or Licensed Clinical Social Worker (LCSW)
- CPHQ Certification
- Experience working in Medicaid and/or Medicare
- Systems Analyst or Business Analyst experience
- Knowledge of one or more of: clinical standards of care, preventive health standards, HEDIS, NCQA, governing and regulatory agency requirements, approach and the managed care industry
- Background in Managed Care

ADDITIONAL INFORMATION:

- This position is full – time (40 hours / week) Monday – Friday. Employees are required to have flexibility to work any of our 8 – hour shift schedules during our normal business hours of 8am to 5pm. It may be necessary, given the business need, to work occasional overtime. This position is a remote – based position with a home – based office.
- You'll enjoy the flexibility to work remotely* from anywhere within the U.S. as you take on some tough challenges.

*All employees working remotely will be required to adhere to UnitedHealth Group's Telecommuter Policy
