

Clinical Validation Auditor

EXL

Job Location: Remote

Full Time/Days

JOB SUMMARY:

In this fully remote position as a Clinical Validation Auditor you will apply your expert clinical knowledge in the auditing of inpatient medical records to validate or revise the provider's billed DRG code. You will utilize industry and EXL proprietary tools in the DRG assignment process, and will write professional communications documenting audit findings and supporting rationales. You will also apply your extensive clinical and industry knowledge to identify audit trends and identify referrals for DRG coding review.

MINIMUM REQUIREMENTS:

- 5+ years of acute care nursing experience with preference given to candidates with prior clinical or coding validation audit experience.
- Prefer candidate with prior DRG retrospective overpayment identification auditing experience.
- Prefer candidate with prior readmission (PPR) auditing experience.

EDUCATION/LICENSES/CERTIFICATIONS:

- Registered Nurse, Associate's or Bachelor's degree
- Preference given to candidates with CCS, RHIA, or RHIT coding credentials.
