

Compliance Consultant III, Medical Coding Information Technology

Kaiser Permanente

Job Location: Pasadena, CA

Full Time/Days

JOB SUMMARY:

In addition to the responsibilities listed below, the position is responsible for serving as a compliance subject matter expert related to coding functions within assigned settings of care, maintaining compliance with national coding policies and procedures, assisting with coding questions and related topics, and assisting with auditing assigned lines of business for coding. Additionally, this position is responsible for assisting with the development of audit result reports and supporting compliance and the Principles of Responsibility (KPs code of conduct).

MINIMUM REQUIREMENTS:

- Minimum two (2) years medical coding experience.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree in Health Care Administration, Clinical, Law, Public Health, Business or related field and Minimum three (3) years' experience in health care compliance, health care operations (quality, risk, etc.), audit, finance, regulatory or public policy development, investigations, information security, or insurance/health plan governance or a directly related field. Additional equivalent work experience in a directly related field may be substituted for the degree requirement.

PREFERRED QUALIFICATIONS:

- Two (2) years hospital coding experience.
- Two (2) years coding audit experience.
- Two (2) years' experience in privacy and security compliance.
- Two (2) years' experience working cross-functionally across departments, functions, or business lines.
- Two (2) years' experience in health plan compliance.
- Two (2) years' experience in health plan operations.
- Two (2) years' experience working in a clinical setting (e.g., hospital, medical center).
- One (1) year pharmacy experience to include pharmacy compliance, practice assessment, or regulatory affairs.
- Two (2) years health care experience.
- One (1) year project management experience.
- Privacy & Security Compliance certification.
