

# Senior Consultant, Healthcare Policy & Medicaid Financing

Sellers Dorsey

Job Location: Remote

Full Time/Days

## JOB SUMMARY:

Sellers Dorsey is seeking a Senior Consultant who will provide client consulting services including providing objective advice, expertise and specialized skills in the area of Medicaid financing and healthcare policy. The Senior Consultant will manage a portfolio that involves financial and policy initiatives connected to supplemental payment projects, provide project management services to client teams and is responsible for direct service delivery and client satisfaction for large, complex, multi-year initiatives. The Senior Consultant supports the Director(s), Associate Director(s) and guides Consultant(s) through the project phases and client engagements. Team management will include setting goals, timelines, and guiding the discussion on strategies related to projects and problem solving with project leaders.

## MINIMUM REQUIREMENTS:

- 5-10 or more combined years in a policy management role and/or in consulting, healthcare industry preferred.
- 5-10 years of progressively responsible work experience is required, preferably in health or human services policy research, consulting and/or in a healthcare service delivery environment, or 3+ years of post-graduate, progressively responsible work experience in consulting or operational experience in health care and/or health policy research/analysis.
- Experience providing support and advisory services to healthcare investment companies and other industry participants.
- Experience with Medicaid strongly desired. Relevant experience in the federal, state or private healthcare industry sector strongly desired.
- Proficiency in Microsoft Word and Excel required.

## EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's Degree in Public Policy, Public Administration, Public Health, Health Administration, business, economics.
- Advanced degree in Public Policy, Public Administration, Public Health, Health Administration, business, economics or MBA **preferred**.

## ADDITIONAL INFORMATION:

This position requires that you be fully vaccinated against Covid-19. Requests for reasonable accommodation on the basis of disability and/or sincerely held religious beliefs will be provided subject to undue hardship.
