

Privacy Officer

Columbus Regional Hospital
Job Location: Columbus, IN/Hybrid
Full Time/Days

JOB SUMMARY:

- This role provides direction to system-wide compliance with the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule and other privacy-related state and federal regulations.
- The Privacy Officer is involved in all activities related to the operation of Columbus Regional Health's commitment to protecting the privacy of patient and other confidential information.
- The Privacy Officer oversees and directs the work on the Privacy and Regulatory Analyst and collaborates with Columbus Regional Health Leadership.
- This position serves as the role of Privacy Officer in relation to protected health information, for Columbus Regional Hospital, Columbus Regional Health Physicians, and affiliated long term care facilities.
- The Privacy Officer works closely with Human Resources, Health Information Management, Legal, and Information Security.
- This position reports to the Vice President – Revenue Cycle.
- The base hourly rate for this position is \$34.69, annualized to \$72,155. Individual compensation is determined for this position through years of directly relevant experience. The hourly compensation is only a portion of the total rewards package, and a comprehensive benefits program is available for qualifying positions.
- This full-time position would require you to work 40 weekly hours, 8:00AM-5:00PM, Monday through Friday. This position is partial remote eligible.

MINIMUM REQUIREMENTS:

- One of the following is required:
 - Bachelor's degree in Business Administration, Health Information Management, Healthcare Administration, or related field.
 - Two years of experience as a Privacy Officer.
- Experience in HIPAA privacy auditing, conducting investigations, monitoring standards, regulatory compliance or related experience in a healthcare field required.

EDUCATION/LICENSES/CERTIFICATIONS:

- One of the following is required:
 - Bachelor's degree in Business Administration, Health Information Management, Healthcare Administration, or related field.
 - Two years of experience as a Privacy Officer.
- Master's degree or Juris Doctor Degree preferred.
- Certified Healthcare Compliance (CHC), Certified Healthcare Privacy and Compliance (CHPC), Certified Compliance and Ethics Professional (CCEP), Certified Internal Auditor (CIA), or Privacy Certification or Registered Health Information Administrator (RHIA) required within 12 months of hire.
