

Revenue Integrity Analyst

Duke Health

Job Location: Remote

Full Time/Days

JOB SUMMARY:

Perform medical and revenue audits to ensure revenue integrity as related to adherence to federal and state regulations, policies of external payers, coding rules and guidelines. Exercise independent decision-making using analytical and problem-solving skills. Provides critical analytical and negotiation support with respect to third-party payer renewal contracts.

MINIMUM REQUIREMENTS:

- 3 years of experience related to auditing and/or coding is required.
- Clinical experience is preferred.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree in business administration, accounting, management, healthcare administration, nursing or another related degree.
- Coding certification (e.g., CCS, RHIA, RHIT) or applicable experience is preferred.

ADDITIONAL INFORMATION:

This position may have an opportunity to work remotely. All Duke University remote workers must reside in one of the following states or districts: Arizona; California; Florida; Georgia; Hawaii; Illinois; Maryland; Massachusetts; Montana; New Jersey; New York; North Carolina; Pennsylvania; South Carolina; Tennessee; Texas; Virginia or Washington, DC
