

Sr Dir Compliance-Ethics

Parkland Health and Hospital System

Job Location: Dallas, TX

Full Time/Days

JOB SUMMARY:

Serves as the Compliance & Ethics Officer for Parkland Community Health Plan (PCHP) and reports to the Chief Executive Officer of PCHP. Responsible for leading and maintaining a Compliance & Ethics Program that meets the expectations of federal and state regulations and enforcement officials. Serves as the focal point for all compliance activities at PCHP.

MINIMUM REQUIREMENTS:

Required

- Seven (7) years of leadership experience working in a government, legal, health care, or managed care organization in a compliance, regulatory, or privacy role required.
- Experience managing a compliance program in Medicaid Managed Care, Medicaid, Medicare, or a health plan required.
- Experience with developing and implementing compliance policies and procedures required.

Preferred

- Auditing experience preferred.

Equivalent Education and/or Experience

- Eight (8) years of compliance or regulatory leadership experience in Texas Medicaid or Medicaid Managed Care may be considered in lieu of a bachelor's degree.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree in business administration, healthcare administration, legal studies, or related discipline required.
- Master's degree in business administration, healthcare administration, or a juris doctor preferred.
- Ethics and Compliance Initiative certified Leadership Professional in Compliance & Ethics (LPEC), HCCA Certified in Healthcare Compliance (CHC), or AAPC Certified Professional Compliance Officer (CPCO) required within two (2) years from date of entry into the position.
