

Facility Auditor and Trainer, Healthcare Compliance

UCLA Health

Job Location: Los Angeles, CA

Full Time/Days

JOB SUMMARY:

UCLA Health is committed to complying with applicable laws and regulations to promote the integrity of the organization as a leading academic health system. This ties to our commitment of providing quality care to all patients and maintaining a safe and fair learning and work environment. As a Senior Hospital Auditor and Trainer within the Office of Compliance Services (OCS), you will play a pivotal role in collecting, collating, and analyzing hospital data to identify potential compliance risks or areas of non-compliance.

Primary duties include:

- Developing audit tools for various hospital compliance audits.
- Conducting coding, billing, and other hospital compliance audits.
- Serving as an expert-level liaison for hospital compliance inquiries.
- Providing comprehensive training and education to the UCLA Health workforce on hospital compliance issues.

MINIMUM REQUIREMENTS:

- Minimum of 5 years' experience in a hospital coding, billing, utilization review, compliance, or related environment.
- Experience reading, comprehending, and implementing state and federal regulations, payer program memoranda, and other complex, technical, and/or legal documents.
- Working knowledge of hospital coding and billing principles and practices, including familiarity with ICD-10-PCS, ICD-10-CM, and CPT diagnostic and procedure codes, and Medicare prospective payment systems (e.g., inpatient, outpatient, and home health).
- Excellent public speaking/presentation skills.

EDUCATION/LICENSES/CERTIFICATIONS:

- Possess a certification in RHIA, RHIT, and/or CCS

ADDITIONAL INFORMATION:

The full annual salary range for this position is \$105,200.00 – \$250,600.00. Please note – the department's target pay range is \$105,200.00 – \$144,000.00.
