

Senior Compliance Specialist

Ventra Health

Job Location: Remote

Full Time/Days

JOB SUMMARY:

The Senior Compliance Specialist III is a key figure in upholding Ventra Health's commitment to compliance and works closely with the Manager, Compliance. This role involves researching, developing, implementing, and enforcing standards for compliance, leading investigations, educating staff, and offering guidance on compliance-related matters. The specialist works collaboratively across various departments to ensure the organization's compliance framework is robust and effective.

MINIMUM REQUIREMENTS:

- Minimum of 5 years' experience in healthcare compliance or closely related field, or similar regulatory/investigational roles in healthcare.
- In-depth knowledge and understanding of healthcare compliance laws and regulatory elements involving federal (OIG, CMS, FCPA, FDA, etc.) and state requirements.
- Revenue cycle management, coding, or other healthcare operations experience in Radiology, Anesthesia, Emergency Medicine and/or Hospital Medicine is strongly preferred.

ADDITIONAL INFORMATION:

- Base Compensation for this position: \$83,000 - \$140,000 annually
- Base Compensation will be based on various factors unique to each candidate including geographic location, skill set, experience, qualifications, and other job-related reasons
- This position is also eligible for discretionary performance bonuses in accordance with company policies
