

Medical Coder and Compliance Specialist

Elite DNA Behavioral Health

Job Location: Fort Myers, FL

Full Time/Days

JOB SUMMARY:

At Elite DNA Behavioral Health, we rely on powerfully insightful data to ensure the delivery of excellent healthcare services, and we're seeking an experienced medical coder to deliver this insight daily. The ideal candidate will have thorough knowledge of anatomical and medical terminology, as well as natural curiosity and an analytical mindset. As the coder mines and interprets patient medical records, transcriptions, test results, and other documentation, we'll rely on them to ask questions, connect the dots, and uncover information that may be difficult to find — and to assist the compliance team throughout the course of internal and external audits and investigations. The medical coder will abide by standard protocols of the profession while using their own methods to compile the most accurate information and promote organizational growth.

MINIMUM REQUIREMENTS:

- Experience in using Athena a plus.
- Self-starter that can work independently.

EDUCATION/LICENSES/CERTIFICATIONS:

- Must have Professional credential for medical practices, such as CPC (Certified Professional Coder)

ADDITIONAL INFORMATION:

- This is an in-person position for Fort Myers.
- This position earns competitive compensation plus a full benefits package including medical, dental, vision, life insurance, annual PTO of 15 days with tenure recognition incentives, one additional paid day for your birthday and Employee Assistance Program. We also offer opportunities for growth, as well as a great team atmosphere that empowers you to seek better ways to deliver service and take ownership of outcomes in providing quality service and support.
