

Keep It Private: Don't Get Caught With Your Pants Down CEU Package

- All CEUs for CHCOSM/HPOCSM/OHCCSM

For AIHC[®] Members Only – Price: \$70

The short course and relevant topics below are bundled at a special price and designed to satisfy all CEUs needed for our members to maintain CHCOSM, HPOCSM and OHCCSM credentials (one or all of these credentials). Quick and easy access to complete your Continuing Education Units for your next credential renewal, AND your CEUs automatically populate into your CEU tracker for you.

How to Train Your Workforce

- This short course was designed as a blueprint for those charged with presenting any type of compliance presentation to a health care workforce, including C-suite executives and directors. It can be used as the foundation for building or revitalizing presentations with a train-the-trainer approach to effective methods of communicating important information.

Notice of Privacy Practices (NOPP) & Protecting PHI

- This lesson will review what PHI is and isn't, including topics such as identity theft and de-identifying health information, and disclosure versus the use of PHI; authorization versus consent; and Notice of Privacy Practices instructions.

Interoperability, AI, Right of Access and Information Blocking

- Learn about Artificial Intelligence and HIPAA privacy concerns; the government's Health Information Exchange; individuals' right under HIPAA to access their health information; how to comply with the HIPAA Right of Access Rule; and how to avoid penalties associated with information blocking.
