

Revenue Cycle Strategy Manager

Ann & Robert H. Lurie Children's Hospital of Chicago

Job Location: Remote

Full Time/Days

JOB SUMMARY:

The Revenue Cycle Strategy Manager is responsible for developing, executing and ensuring the long-term success of revenue cycle initiatives. The strategy manager collaborates with key stakeholders throughout Lurie Children's to drive operational and strategic change and is accountable for leading a portfolio of projects designed to optimize the financial health of the revenue cycle. The strategy manager has broad knowledge of revenue cycle functions and industry best practices. They have an insatiable desire for improvement and perform executive level financial and operational analyses to prioritize and drive improvement initiatives. The strategy manager oversees the entire project life cycle and ensures stakeholders remain committed, benefits are realized, and processes are maintained after implementation.

MINIMUM REQUIREMENTS:

- Five+ years' operations experience in an Epic revenue cycle environment; certification in an Epic revenue cycle application or experience as an Epic revenue cycle builder preferred.
- Experience in project management and system implementation; managing healthcare IT projects preferred.
- Excellent verbal and written communication, conflict and problem resolution skills.
- Excellent strategic, analytical and process/systems thinking skills.
- Demonstrated expertise with Teams, Excel, Visio, PowerPoint, Project and other Microsoft Office products.
- Excellent interpersonal skills, including ability to understand and articulate the needs of stakeholders and assist them in making the decisions necessary to accomplish their objectives.
- Demonstrated ability in earning and maintaining credibility with leaders across the organization.
- Ability to respectfully and collaboratively challenge team members to perform within designated timelines.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree required, master's degree in a business or finance related field preferred.

ADDITIONAL INFORMATION:

- This position is Fully Remote
- Some travel required - Fully reimbursed
