

# RCM Analyst

**Ovation Healthcare**

Job Location: Remote

Full Time/Days

## **JOB SUMMARY:**

Amplify, an Ovation Healthcare company, is seeking strong revenue cycle analysts with hospital claims experience.

Applicants must be knowledgeable in the areas of AR follow-up/collections, appeal writing, root cause analysis and billing. The primary responsibility for this position is to expedite clean claim and rebill submissions and aggressive follow up efforts to secure payer reimbursement for our hospital clients across the nation.

The ideal candidate will have a demonstrated record of accuracy and efficiency and must be proficient in their knowledge of billing regulations, claim form requirements and appeal processes for government or non-government payer sources.

## **MINIMUM REQUIREMENTS:**

- Hospital Billing/Collections: 3+ years (Preferred)
- Must adapt and demonstrate the ability to work independently from home in a fast-paced, changing and goal-oriented environment.
- Must be detail oriented, organized, and possess the ability to apply critical thinking skills.

## **ADDITIONAL INFORMATION:**

- Work from Home Position Requires Reliable High Speed Internet Connection
