

HIPAA Privacy Officer Training

*Online Training Program with the Option to Certify as a
HPOCSM (HIPAA Privacy Officer, Certified)*

Online, On-Demand Training - This course is online and on-demand, with no scheduled classes to attend during your 3-month access to course materials. Typically, professionals complete the course within 6 to 8 weeks; however, you have 3 months of access included in your tuition. Access your course information 24 hours a day, 7 days a week, by logging into our website. A qualified, certified instructor is available upon request to address questions you may have during your training experience.

Course Prerequisites - This course is recommended for HIPAA Privacy Officers, Practice Administrators, Office Managers, Compliance Officers, Executives, and Administrators involved in developing and enforcing confidentiality, privacy, and security as a covered entity or business associate.

Earn Continuing Education Units (CEUs)

12 CEUs - This program has been approved for 12 continuing education units by the American Institute of Healthcare Compliance for our certified professionals. These continuing education units may be applied towards the Core, HIPAA, and Ethics Category CEU Renewal Requirements for ***ALL our credentialed professionals***.

12 CEUs - This program has been approved for 12 continuing education units for use in fulfilling the continuing education requirements of the American Health Information Management Association (AHIMA). Granting prior approval from AHIMA does not constitute endorsement of the program content or its program sponsor.

Core Content Hours Approved: Information Protection: Access, Disclosure, Archival, Privacy and Security: 12

Computer Requirements and Time Limits

To successfully complete this course, you will need high-speed internet access, email, Microsoft Word, Microsoft Excel, and Adobe Reader. You must complete this course within three (3) months of your enrollment date or purchase an extension to buy more time (up to 3 months in extensions). Your course enrollment begins when our office receives your course tuition payment.

Course Tuition Includes:

- Access to a qualified online instructor if and when you need help (available upon request)
- Training materials and access to the online training page
- Online quizzes accessed through the online training page
- AIHC® Membership for one (1) year: This is available for first-time members only
- Certificate of Completion upon successfully accomplishing 80% or better in the course.
- One (1) certification exam attempt, provided the exam is taken within three (3) months of completing the course

Need more than a Certificate? **Optional Certification Exam – Earn the HPOCSM Credential**

Experienced healthcare professionals will have the *option* to certify as a Certified HIPAA Privacy Officer (HPOCSM) after successful completion of the course. The online exam can be taken remotely from the comfort of your home or office. Attempts at the exam are only available by appointment with a professional proctor.

About the Certification Exam

- The exam is a 100-question, open-note, three (3)-hour proctored exam taken online
- Passing score is 80%*
- There are three (3) domains:
 1. Introduction to HIPAA, privacy terms, role of the privacy office, breach notification rules.
 2. Identifying rules for covered entities and business associates, the business associate agreement requirements, state versus federal privacy laws, notice of privacy practices compliance, disclosures, release of information and right of access.
 3. Confidentiality and HIPAA, sharing mental health information, privacy of minors, students and the deceased, HIPAA documentation retention requirements and OCR audits, privacy and use of mobile devices, privacy training & cybersecurity practices, 405(d) task force resources.
- Certification is approved by the Certification Exam Board.

***Policy:** The certification exam is optional, but the cost of one exam attempt is included in your course tuition, provided you take the exam within three months of completing the program. If you do not pass the first time, you may purchase up to 2 additional attempts at certification, totaling 3 attempts within 1 year from your course enrollment date.

Maintaining Your HPOCSM Credential

Once you are certified, you need to maintain your credential by earning six (6) CEUs annually. We also offer free and low-cost CEU programs for our members.
