

Healthcare Compliance Consultant

Strategic Management Services

Job Location: Alexandria, VA

Full Time/Days

JOB SUMMARY:

Strategic Management is currently seeking a highly motivated professional for a consultant position to work in our Alexandria, VA office. The Consultant will work on client engagements, working both in teams and independently to meet client needs and meeting regulatory requirements. The Consultant will be well versed in areas of healthcare compliance, specializing in operations of a compliance program, regulatory compliance and compliance risk areas.

MINIMUM REQUIREMENTS:

- Relevant experience spanning 5 to 7 years as a healthcare compliance consultant, HHS, OIG, CMS or other government role, and/or an in-house Compliance Officer at a healthcare provider.
- Experience working with healthcare regulations, Anti-Kickback Statute, False Claims Act, Stark Law, HIPAA and other relevant federal laws and state laws.
- Experience with implementing and auditing healthcare compliance programs, conducting risk assessments, and managing compliance incidents and self-disclosures.
- Possess superior writing skills, excellent oral communication and presentation abilities, and exceptional interpersonal skills to effectively convey complex information and collaborate with diverse stakeholders.
- Role requires up to 75% travel to meet client needs, including on-site visits and meetings across various locations.

EDUCATION/LICENSES/CERTIFICATIONS:

- Master's Degree or Juris Doctor; preferably in the areas of Health Law and Policy, Health Administration, Public Health, Public Policy, or Public Administration.
- Holds an active healthcare compliance certification, such as CHC. Master's Degree or Juris Doctor; preferably in the areas of Health Law and Policy, Health Administration, Public Health, Public Policy, or Public Administration.
