

Payer Contracting Specialist

USA Clinics Group

Job Location: Northbrook, IL

Full Time/Days

JOB SUMMARY:

The Payer Contracting Specialist partners with the SVP of Revenue Cycle on the implementation of payor strategy, focusing on payor operations, client services, and process improvement. The focus of this role is network development/contracting. In addition, this role ensures resolution of payor issues received from the field, leadership, or other internal departments, tracking of opportunities, and continual documentation and improvement of processes.

MINIMUM REQUIREMENTS:

- Prior health care provider or health plan contracting, contract operations, service operations, or provider relations experience, required
- Interest in Health Care operations required

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree, required. Focus in Health Care Administration, Managed Care Contracting or similar degree preferred

ADDITIONAL INFORMATION:

- This is an entry-level position. Training is available for this role.
- This position works onsite in our Northbrook, Illinois corporate office.
