

HIPAA Privacy & Security

Online Training Program

(Option to Certify as a HIPAA Compliance Officer is included in Tuition)

This is a 4-month web-based training program. Work online at your own pace with no scheduled classes to attend. This course is preapproved for 18 continuing education units with the American Institute of Healthcare Compliance.

We are a licensing/certification partner with CMS.

Online, On-Demand Training - This course is online and on-demand, with no scheduled classes to attend during your 4-month access to course materials. Typically, professionals complete the course and certify within 6 to 8 weeks; however, you have 4 months of access included in your tuition. Access your course information 24 hours a day, 7 days a week, by logging into our website. A qualified, certified instructor is available upon request to address questions you may have during your training experience.

Course Prerequisites - This course is recommended for HIPAA Privacy or Security Officers, Practice Administrators, Office Managers, Executives, and Administrators and Compliance Officers involved in developing and enforcing confidentiality, privacy, and security for either a covered entity or business associate.

Earn Continuing Education Units (CEUs)

18 CEUs - This program has been approved for 18 continuing education units by the American Institute of Healthcare Compliance for our certified professionals. These continuing education units may be applied towards the Core, HIPAA, and Ethics Category CEU Renewal Requirements for the following credentials: CHCO, CHA, CIFHA, and OHCC.

- Understanding why Cyber Safety is Patient Safety
 - Citations of cyber attacks and threat to patient safety cases
- Tips on How to Mitigate Threats
 - Mitigating Practices
 - Government Oversight
 - Resources

Computer Requirements and Time Limits

To successfully complete this course, you will need high-speed internet access, email, Microsoft Word, Microsoft Excel, and Adobe Reader. You must complete this course within four (4) months of your enrollment date or purchase an extension to buy more time (up to 2 months in extensions). Your course enrollment begins when our office receives your course tuition payment.

Course Tuition Includes

- Access to a qualified online instructor if and when you need help (available upon request)
- Training materials and access to the online training page
- Quizzes and downloadable information: Accessed through the online training page
- AIHC® Membership for one (1) year: This is available for first-time members only
- Mock Exam: This mock exam is one exam total that covers all of the certification exam domains
- One (1) certification exam attempt, provided the exam is taken within three (3) months of completing the course

Optional Certification Exam – Earn the CHCOSM Credential

Experienced HIPAA Privacy Officers and Medical Compliance Professionals will have the *option* to certify as a Certified HIPAA Compliance Officer (CHCOSM) after successful completion of the HIPAA Privacy & Security Course. The online exam can be taken remotely from the comfort of your home or office. Attempts at the exam are only available by appointment with a professional proctor.

About the Certification Exam

- The exam is a 100-question, open-note, three (3)-hour proctored exam taken online
- Passing score is 80%*
- There are three (3) domains:
 - Acronyms and Terms
 - Privacy Rules
 - Security Rules and Management of Risk
- The exam is taken online from the comfort of your home or office by appointment only and scheduled with a professional proctor
- Certification is approved by the Certification Exam Board

***Policy:** The certification exam is optional, but the cost of one exam attempt is included in your course tuition, provided you take the exam within three months of completing the program. The typical pass rate on 1 attempt when the exam is taken within 4 weeks after completing the course is 92%. If you do not pass the first time, you may purchase up to 2 additional attempts at certification, totaling 3 attempts within 1 year from your course enrollment date.

Maintaining Your CHCOSM Credential

Once you are certified, you need to maintain your credential by earning six (6) CEUs annually. We also offer free and low-cost CEU programs for our members.

Tuition Non-Member Price: \$1,250

Members Pay \$750 [Members Save \$500]
