

# Healthcare Auditor

## CATHEXIS

Job Location: Remote

Full Time/Days

### JOB SUMMARY:

We are looking for a dynamic Healthcare Auditor to join our team! This role offers a rewarding opportunity to conduct independent, standards-based audits supporting the Department of Veterans Affairs in preventing fraud, waste, and abuse. The position combines meaningful work with collaborative planning and audit team engagement across high-impact federal healthcare contracts.

### MINIMUM REQUIREMENTS:

- Must have an active Public Trust or the ability to obtain and maintain a Public Trust, which requires U.S. citizenship, a favorable background check (including criminal, credit, and employment history).
- Experience auditing by professional standards and industry best practices required.
- Knowledge of government payor practices, guidelines and procedures; knowledge of CPT, ICD-9, ICD-10, and HCPCS coding required.
- Healthcare auditing, regulatory compliance, or a similar combination of education and experience will be considered.
- Excellent communication skills, both written and verbal, and proficiency in MS Word, Excel, and PowerPoint required.
- Demonstrated ability to work independently and as a team required.
- Comfortable managing multiple, variable tasks with limited supervision within targeted timelines and thriving in a demanding, quickly changing environment.

### EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree (BS/BA) with three (3) or more years of relevant experience, or Master's degree (MS/MA) with no experience required, or Certified Physical Therapist (or similar licensed medical professional) with four (4) or more years of experience may qualify under a documented waiver process.

### DESIRED SKILLS:

- CPC, CIA, CHC, and/or RHIT Certifications.
- Healthcare auditing, regulatory compliance, or a similar combination of education and experience will be considered.
