

AVP/VP, Revenue Cycle Management Operations/Customer Advocacy (Boston Region)

IKS Health

Job Location: Remote

Full Time/Days

JOB SUMMARY:

As the AVP/VP Revenue Cycle Management, you will collaborate with health system clients on a range of complex assignments to provide practical and innovative solutions. Assess the current performance of revenue cycle operations by conducting interviews, observations, document review, data-driven insights, and processes. Building relationships with clients and seeking opportunities to expand the scope of their business and financial outcomes.

MINIMUM REQUIREMENTS:

- 7 years Expertise in leading revenue cycle assessments, system implementations, and operations.
- 7 years Proven record of accomplishment in managing large-scale parallel transitions.
- 5 years Revenue cycle experience, including Patient Access and Billing.
- 7 years Experience in ambulatory or acute operations management and management consulting or advisory services.

EDUCATION/LICENSES/CERTIFICATIONS:

- Masters or better in Business Administration or related field.
- Masters or better in Health Administration or related field.

ADDITIONAL INFORMATION:

- While this opportunity is "remote," we have an immediate need for an individual based in or near Boston, MA.
- These roles require significant domestic travel—approximately 80% of the time.
