

Privacy Director

Banner Health

Job Location: Remote/Arizona

Full Time/Days

JOB SUMMARY:

In this position you will take on a leadership role reporting to the Chief Privacy Officer and will be instrumental in leading the privacy program's growth and maturation.

MINIMUM REQUIREMENTS:

- At least seven years of healthcare privacy expertise with a foundation in HIPAA and additional experience in expanded areas of privacy, such as AI, tracking technologies, and other privacy requirements.
- In-depth understanding of privacy, data protection and data management concepts, principles, operations, legislation and regulations.
- Strategic thinking and problem-solving skills enabling you to establish and maintain a risk-based program
- Be an engaged, collaborative leader/teacher for the privacy team as well as the ability to build relationships and influence with respect to internal and external stakeholders
- Provide guidance on privacy to internal stakeholders and promote/influence adoption of privacy compliance by identifying requirements, safeguards, solutions, and best practices
- The ability to plan, execute, document, and maintain complex projects in a methodical manner
- Apply your research and analytical skills, to stay abreast of privacy laws, standards, regulator guidance, and decisions to facilitate organizational adaptation and compliance.
- Experience responding to access to information requests and experience investigating and responding to privacy incidents.
- Familiarity with technology and information systems is desirable to appropriately assess privacy risks in response to implementation of new technologies, programs and processes.

EDUCATION/LICENSES/CERTIFICATIONS:

- Completion of a degree in a relevant discipline such as law, privacy, or health administration.
- Industry recognized privacy designation such as Certified Information Privacy Professional (CIPP/US) or Certified Information Privacy Manager (CIPM).

ADDITIONAL INFORMATION:

- This role is based from home for Arizona residents, with some expectation to be onsite in the Phoenix area for occasional meetings. The schedule is Monday – Friday, 8-hour days based around general business hours.
