

# Revenue Cycle Team Lead

**Nira Medical**

Job Location: Remote

Full Time/Days

## **JOB SUMMARY:**

The RCM Team Lead will serve as a key transition partner and operational leader for centralized revenue cycle functions. This role will be responsible for bridging the transition between practice-based operations and the centralized RCM team, ensuring smooth integration, efficiency, and performance alignment. This individual will work closely with regional partners, practice leaders, vendors, and the centralized RCM team to drive operational consistency, optimize workflows, and support change management efforts. The ideal candidate is a strategic thinker with hands on execution skills, capable of leading teams while navigating complex transition challenges.

## **MINIMUM REQUIREMENTS:**

- 3+ years of experience in revenue cycle management, healthcare operations, or a related field
- Experience leading billing, collections, denials management, or payer relations teams
- Strong knowledge of RCM best practices, payer reimbursement policies, and claim adjudication processes
- Ability to analyze billing and financial reports to identify revenue cycle performance gaps
- Strong leadership, communication, and team management abilities
- Excellent problem-solving skills and ability to navigate complex transitions
- Proactive, adaptable, and able to work in a fast-paced, evolving environments
- Familiarity with EMR/EHR & RCM systems (Centricity, Athena, or similar platforms) is a plus
- Prior experience in RCM process transition management, or operational leadership is a plus
- Experience with EDI enrollments, contract interpretation, and revenue cycle reporting is a plus

## **EDUCATION/LICENSES/CERTIFICATIONS:**

- Associate degree or relevant certification (e.g., Certified Revenue Cycle Representative (CRCR)); or equivalent relevant experience in RCM, billing, or medical collections
