

Director of Compliance & Privacy

Allergy Partners PLLC

Job Location: Asheville, NC/Hybrid

Full Time/Days

JOB SUMMARY:

As the Director of Compliance & Privacy at Allergy Partners ("AP"), you will report to the General Counsel and Chief Compliance Officer and serve as the organization's Privacy Officer. You'll be responsible for establishing, implementing, and overseeing an effective healthcare compliance program aligned with the Health and Human Services Office of Inspector General Compliance Program Guidance, Federal Sentencing Guidelines standards, and HIPAA Privacy and Security requirements.

In this leadership role, you'll design and manage the ongoing operations of AP's Compliance and Privacy Programs, ensuring the organization upholds the highest standards of integrity, regulatory compliance, and ethical conduct. You'll collaborate closely with the Director of Compliance Auditing & Monitoring and senior leadership to validate program effectiveness, reduce risk, and promote a culture of compliance across our multi-state physician practice network.

MINIMUM REQUIREMENTS:

- 10+ years of compliance, privacy, or audit leadership experience in a healthcare organization; multi-state physician practice experience strongly preferred.
- Strong understanding of federal and state healthcare laws, HIPAA, OIG compliance guidance, and healthcare reimbursement systems.
- Demonstrated experience conducting risk assessments, leading investigations, and managing corrective actions.
- Proven ability to build and lead high-performing teams and manage complex organizational relationships.
- Exceptional communication, presentation, and interpersonal skills with the ability to influence across all levels.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree required.
- Master's degree and CHC/CHPC certifications **preferred**.
