## Education

Master of accountancy  
Middle Tennessee State University

Bachelor of science in business  
administration, accounting-finance  
collateral  
University of Tennessee

Katie oversees reimbursement and operations services, including the review and preparation of Medicare and Medicaid cost reports and other third-party reimbursement opportunities.

She works with a variety of clients, including medical/surgical, psychiatric, rehabilitation and long-term acute care hospitals. Additionally, she works with skilled nursing facilities, rural health clinics, federally qualified health centers, hospice and home health agencies, end-stage renal dialysis practices and other multi-specialty physician practices.

Katie partnered with the American Institute for Healthcare Compliance (AIHC) to develop and oversee a Medicare/Medicaid cost report boot camp course. In addition, she worked with the AIHC to create the Certified Cost Report Specialist (CCRS) credential, as well as its related education and testing.
