

# HIPAA Compliance Specialist

**Blue Cross of Idaho**

Job Location: Meridian, ID/Hybrid

Full Time/Days

## **JOB SUMMARY:**

Blue Cross of Idaho is seeking a Compliance Specialist to analyze and distribute new and updated regulatory requirements related to HIPAA and protected health information. The role is also involved in advising business areas of their compliance obligations. The specialist will also be involved in helping to resolve HIPAA privacy issues that emerge. The role will start as a general compliance specialist while also performing work related to HIPAA. Over time the role will transition into a full-time HIPAA Compliance Specialist. Designing the position this way will help the employee gain the necessary background in compliance program effectiveness to apply those skills and knowledge to HIPAA specific compliance work.

## **MINIMUM REQUIREMENTS:**

- 4 years' health industry, internal audit, legal, compliance, or government programs (12 years of experience if candidate does not have Bachelor's degree).

## **EDUCATION/LICENSES/CERTIFICATIONS:**

- Bachelor's Degree or equivalent work experience (Two years' relevant work experience is equivalent to one-year college).
