

Senior Consultant - Healthcare Compliance

BerryDunn

Job Location: Remote

Full Time/Days

JOB SUMMARY:

BerryDunn is seeking a Senior Consultant to join our Healthcare Group as a member of the Healthcare Compliance Practice Area. You will join a core team tasked with assisting the firm's clients with clinical documentation improvement, revenue integrity efforts, regulatory research, and general coding and billing compliance in a multitude of healthcare settings. This role involves complex audit reviews, provider education, and data-driven analysis to identify trends, mitigate risk, and optimize revenue integrity. This position is planned to sit remotely. The ideal candidate for this position will possess both a clinical and coding / auditing background with experience in both inpatient DRG/APR-DRG, and professional services CPT and ICD-10 coding.

MINIMUM REQUIREMENTS:

- Minimum 3-years recent experience of MS-DRG, AP-DRG and APR-DRG, professional and outpatient CPT and ICD-10 coding/auditing with a broad knowledge of medical claims billing/payment systems provider billing guidelines, payer reimbursement policies, medical necessity criteria and coding terminology.
- Experience in developing and providing audit outcomes to practitioners and staff.
- Skilled in applying the official coding guidelines, coding clinic determinations and CMS and other payer and regulatory compliance guidance. Requires expert coding knowledge - DRG, APR-DRG, ICD-10, CPT, HCPCS.
- Demonstrable Proficiency in using Word, Outlook, Excel, and PowerPoint.
- Excellent written and verbal communication skills.

EDUCATION/LICENSES/CERTIFICATIONS:

- One or more nationally recognized inpatient coding compliance certification (i.e. AHIMA CCS, AAPC CIC) and professional coding certification (i.e. AAPC CPC) **required**.
- Bachelors' degree, RN/LPN or other clinical credential, and/or clinical documentation improvement certification **preferred**.
