

# Healthcare Quality Analyst

Deloitte

Job Location: Multiple Locations

Full Time/Days

## JOB SUMMARY:

Our Deloitte Strategy & Transactions team helps guide clients through their most critical moments and transformational initiatives. From strategy to execution, this team delivers integrated, end-to-end support and advisory services covering valuation modeling, cost optimization, restructuring, government operations modernization, business design and transformation, infrastructure and real estate, mergers and acquisitions (M&A), and sustainability. Work alongside clients every step of the way, helping them navigate new challenges, avoid financial pitfalls, and provide practical solutions at every stage of their journey—before, during, and after any major transformational projects or transactions.

## MINIMUM REQUIREMENTS:

- 1-year DBQ Review experience
- Must be legally authorized to work in the United States without the need for employer sponsorship, now or at any time in the future

## EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree OR Associates degree plus 2 years of experience or
- High school diploma plus 4 years of experience

## PREFERRED QUALIFICATIONS

- MDEO (medical disability examination office) vendor experience
- Experience conducting reviews of medical exam documentation in accordance with established medical and legal requirements
- Understanding of Medical Terminology
- Medical Benefit experience
- Medical License (LVN, RN, etc.)
