VP, Revenue Cycle Management

McKesson
Job Location: Remote (Texas)
Full Time/Days

JOB SUMMARY:

The VP of Revenue Cycle Management will lead and oversee all aspects of revenue cycle operations, ensuring compliance, efficiency, and strategic optimization of patient intake, financial counselling, billing, collections, reimbursement, and financial workflows. This executive will design and drive scalable, and AI enabled automated revenue cycle strategies while partnering with clinical, operations, and financial teams to maximize revenue capture, minimize denials, and enhance patient financial experience.

MINIMUM REQUIREMENTS:

- 12+ years of progressive experience in revenue cycle management, preferably in infusion, specialty pharmacy, or oncology settings.
- 4+ years of executive leadership experience in revenue cycle management, preferably in infusion, specialty pharmacy, or oncology settings.
- 3+ years of P&L responsibility.
- Expertise in payer contracting, reimbursement methodologies, and healthcare finance.
- Strong leadership skills with experience managing large teams and cross-functional collaboration.
- Deep understanding of compliance (CMS, HIPAA, Stark Law, etc.) and regulatory considerations in infusion services.
- Proven success in scaling revenue cycle operations for a growing healthcare organization.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree in finance, healthcare administration, or a related field (MBA or MHA preferred).

ADDITIONAL INFORMATION:

- Travel up to 50%
