

CDI Auditor

UASI

Job Location: Remote

Full Time/Days

JOB SUMMARY:

The CDI Auditor is responsible for reviewing clinical documentation to ensure accuracy, completeness, and compliance with regulatory guidelines and coding standards. This role evaluates the effectiveness of CDI programs, identifies documentation gaps, and provides feedback and education to improve documentation quality, coding accuracy, and reimbursement integrity.

MINIMUM REQUIREMENTS:

The ideal candidate will have a clinical background with a thorough knowledge of official medical coding guidelines, CMS, and private payer regulations related to the Inpatient Prospective Payment System and experience performing CDI Audits and second level reviews. Additional qualifications include:

- A minimum of 3 years' CDI experience
- The ability to communicate with physicians and hospital staff in a collaborative manner to promote appropriate clinical documentation and quality improvement is a must

EDUCATION/LICENSES/CERTIFICATIONS:

- CCDS or CDIP certification **required**
- RN **preferred** but not required

ADDITIONAL INFORMATION:

- UASI provides employees with the tools needed for professional growth and development. We recognize that CDI professionals are our greatest asset and in return for your talents, we offer a dynamic work environment, career growth and development, strong leadership, education, full benefits, PTO and competitive pay.
