

Clinical Provider Auditor I

Elevance Health

Job Location: Atlanta, GA

Full Time/Days

JOB SUMMARY:

The Clinical Provider Auditor I is responsible for identifying issues and/or entities that may pose potential risk associated with fraud and abuse.

- Primary duties may include, but are not limited to:
 - Examines claims for compliance with relevant billing and processing guidelines and identifies opportunities for fraud and abuse prevention and control.
 - Reviews and conducts analysis of claims and medical records prior to payment and uses required systems/tools to accurately document determinations and continue to next step in the claims lifecycle.
 - Researches new healthcare related questions as necessary to aid in investigations and stays abreast of current medical coding and billing issues, trends and changes in laws/regulations.
 - Collaborates with the Special Investigation Unit and other internal areas on matters of mutual concern.
 - Recommends possible interventions for loss control and risk avoidance based on the outcome of the investigation.

REQUIRED QUALIFICATIONS

- Requires a AA/AS and minimum of 1-year related medical coding/auditing experience; or any combination of education and experience, which would provide an equivalent background.
- Must achieve coding certification (CPC, CCS, CPMA) within one year of starting in this position.

PREFERRED QUALIFICATIONS

- Current CPC certification very strongly preferred.
- Prior auditing experience is a must for this role!
- Knowledge of ICD-10 and CPT/HCPC coding guidelines and terminology strongly preferred.
- You must have a strong team spirit and a collaborative mentality.

ADDITIONAL INFORMATION:

- LOCATION: This position is virtual eligible, but you must be within a reasonable commute of one of our offices.
- HOURS: General business hours, Monday through Friday (ET).
- Virtual: This role enables associates to work virtually full-time, with the exception of required in-person training sessions, providing maximum flexibility and autonomy. This approach promotes productivity, supports work-life integration, and ensures essential face-to-face onboarding and skill development.
- Please note that per our policy on hybrid/virtual work, candidates not within a reasonable commuting distance from the posting location(s) will not be considered for employment, unless an accommodation is granted as required by law.
