

Independent Contractor – Post-Acute Care Clinical Documentation Auditor

LW Consulting, Inc.

Job Location: Harrisburg, PA

JOB SUMMARY:

LW Consulting, Inc. is seeking experienced post-acute care professionals to join our independent contractor network. This role supports as-needed client engagements focused on clinical documentation accuracy, medical necessity, and regulatory compliance across rehabilitation and post-acute care settings.

What You'll Do

- Conduct clinical documentation audits for inpatient and outpatient rehab services
- Evaluate medical necessity, billing accuracy, and regulatory compliance
- Identify documentation risk and improvement opportunities
- Deliver clear, actionable audit findings and recommendations
- Support providers through education and compliance-focused guidance

MINIMUM REQUIREMENTS:

- Clinical or operational leadership experience in post-acute care
 - Director of Nursing (DON) or Nursing Home Administrator (NHA) experience a plus
- Strong auditing or compliance background in post-acute or rehab settings
- Minimum of 3 years of relevant clinical, audit, or compliance experience
- Working knowledge of reimbursement and regulatory frameworks, including: MS-DRG, ICD-10, CPT, HCPCS, PDPM/HIPPS, CMGs, RUGs
- Comfortable working independently and meeting project deliverables
- Consulting, compliance, or quality assurance experience preferred

EDUCATION/LICENSES/CERTIFICATIONS:

Preferred Credentials

- RAC-CT® (Resident Assessment Coordinator – Certified)
- Relevant professional licensure or certification aligned with post-acute leadership or compliance

ADDITIONAL INFORMATION:

Why LW Consulting, Inc.?

- Flexible, project-based work
- Meaningful compliance and quality improvement engagements
- Supportive, experienced consulting team
