

Senior Internal Auditor

Covenant Health

Job Location: Knoxville, TN

Full Time/Days

JOB SUMMARY:

Performs complex level professional internal auditing work. Work involves leading or conducting process, financial, and compliance audit projects. Also provides consulting services to the organization's management and staff and may coordinate requested investigations. Maintains all organizational and professional ethical standards and helps train department staff. Works independently under general supervision with considerable latitude for initiative and independent judgment. Reports to the Chief Audit Executive (CAE).

MINIMUM REQUIREMENTS:

- Minimum of five (5) years audit experience is required.
- An equivalent combination of post-graduate coursework and/or directly related professional experience may be substituted for up to one (1) year of audit experience.
- Healthcare related experience is preferred.

EDUCATION/LICENSES/CERTIFICATIONS:

None specified; however, must be sufficient to meet the standards for achievement of the below indicated license and/or certification as required by the issuing authority. Preference may be given to individuals possessing a Bachelor's degree in a directly-related field from an accredited college or university.

- Active professional, audit-oriented certification such as a CPA (Certified Public Accountant)
- CIA (Certified Internal Auditor)
- CHIAP (AHIA – Certified Healthcare Internal Audit Professional® (CHIAP®) Certification)
- CFE (Certified Fraud Examiner), **or**
- CISA (Certified Information Systems Auditor) **OR** the ability to achieve relevant certification within two years of employment.
