

Cost Report Auditor

Wis Phys Svc Ins Corp

Job Location: Madison, WI/Remote

Full Time/Days

JOB SUMMARY:

Our Cost Report Auditor is responsible for conducting audits and desk reviews of Medicare Cost Reports in accordance with the Centers for Medicare & Medicaid Services (CMS) regulations. They ensure the accuracy and integrity of statistical and financial data submitted by healthcare providers and supports the effective use of U.S. tax dollars in the Medicare program. This auditor plays a key role in upholding government auditing standards and ensuring cost-effective healthcare delivery.

MINIMUM REQUIREMENTS:

- Strong analytical and decision-making skills.
- Exceptional organizational skills with a high degree of attention to details.
- Strong verbal and written communication skills.
- Solid knowledge and experience with Microsoft Excel.
- **Preferred Qualifications:**
 - Knowledge of CMS Medicare Cost Reporting requirements and Government Auditing Standards.
 - Experience with audit methodologies, financial analysis, and regulatory compliance.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree in Accounting, Finance, Business Administration, or related field, or equivalent post high school education and/or work-related experience.

ADDITIONAL INFORMATION:

Work Location:

- We are open to remote work in the following approved states:
 - Colorado, Florida, Georgia, Illinois, Indiana, Iowa, Michigan, Minnesota, Missouri, Nebraska, New Jersey, North Carolina, Ohio, South Carolina, Texas, Virginia, Wisconsin
- **Remote Work Requirements**
 - Wired (ethernet cable) internet connection from your router to your computer
 - High speed cable or fiber internet
 - Minimum of 10 Mbps downstream and at least 1 Mbps upstream internet connection (can be checked at <https://speedtest.net>)
