

Healthcare Analyst II

Cohere Health

Job Location: Remote

Full Time/Days

JOB SUMMARY:

We are seeking a Healthcare Analytics Analyst to join our Analytics team. In this role, you will conduct analyses that drive our strategy, inform product performance, and provide insights critical to the development of new clinical intervention strategies and product enhancements. You'll partner closely with cross-functional teams and clients to optimize auto-decisioning performance and deliver increased value. This is an opportunity to directly impact company growth and assist patients at a critical time in their healthcare journey.

MINIMUM REQUIREMENTS:

- 2+ years of experience working in an analyst role
- 1+ years' experience building and/or maintaining dashboards and self-service business intelligence tools such as Tableau or PowerBI
- Demonstrated expertise in conducting complex analyses and identifying opportunities to drive enhanced value
- Proficiency with statistical analysis tools (such as SQL, R, or SAS) to extract insights from complex healthcare data sets, interpret trends, and derive actionable recommendations
- Strong verbal and written communication skills to convey complex information to stakeholders and collaborate effectively with internal stakeholders and clients
- Experience setting goals and meeting deadlines for multiple ongoing projects
- Ability to work independently in a fast-paced environment with rapid execution and quick iteration based on feedback
- Customer-first mindset with ability to deliver top-quality work for internal and external customers
- Experience with Athena
- Understanding of healthcare systems, medical terminologies, clinical workflows, and regulations
- Experience interfacing with internal stakeholders and colleagues on the development and definition of client and program specific KPIs
- Demonstrated success in navigating ethical dilemmas in healthcare data management and analysis

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree in Health Informatics, Public Health or related field preferred

ADDITIONAL INFORMATION:

- Fully remote opportunity with about 5% travel
- Medical, dental, vision, life, disability insurance, and Employee Assistance Program
- 401K retirement plan with company match; flexible spending and health savings account
- Flex Time Off + company holidays
- Up to 14 weeks of paid parental leave
- Pet insurance
