

Director of Compliance & Privacy

Prism Health

Job Location: Dallas, TX

Full Time/Days

JOB SUMMARY:

Under the direction of the Chief Legal Officer, the Director of Compliance & Privacy provides leadership and oversight of the organization's compliance and privacy programs. This position is responsible for developing, implementing, and maintaining an effective compliance framework that promotes adherence to applicable federal and state laws, HRSA and grant requirements, HIPAA regulations, and organizational policies. The Director fosters a culture of ethics, accountability, and regulatory excellence while also serving as the organization's HIPAA Privacy Officer.

MINIMUM REQUIREMENTS:

- Minimum of seven (7) years of progressively responsible experience in healthcare compliance, privacy, risk management, auditing, legal/regulatory affairs, or related healthcare operations.
- Minimum of three (3) years of leadership or management experience overseeing compliance and/or privacy programs.
- Experience in a Federally Qualified Health Center (FQHC), community health center, public health organization, hospital, or healthcare system preferred.

EDUCATION/LICENSES/CERTIFICATIONS:

- Bachelor's degree in Healthcare Administration, Public Health, Business Administration, Health Information Management, Law, or a related field required.
- Master's degree in Healthcare Administration (MHA), Public Health (MPH), Business Administration (MBA), Juris Doctor (JD), or related field preferred.
- Relevant professional certification preferred, such as Certified in Healthcare Compliance (CHC), Certified Compliance and Ethics Professional (CCEP), Certified in Healthcare Privacy Compliance (CHPC).
